

Divergence Academy NAW 2023 Proclamation

WHEREAS, November 13-19, 2023 marks the 9th Annual National Apprenticeship Week promoting the apprenticeship training and employment model as a “Superhighway to Good Jobs”; and

WHEREAS, Divergence Academy recognizes the powerful collaboration between network partners, education providers, workforce agencies, and governing bodies to accelerate learners to life-changing job outcomes; and

WHEREAS, we all celebrate the nation’s progress to enable more pathways to successful outcomes, especially for under-represented populations and high-demand industries, now providing more than 800,000 apprenticeships annually; and

WHEREAS, the strengthening and expansion of IT and cybersecurity apprenticeship programs not only cultivates a diverse, dynamic, and motivated workforce but also contributes to economic growth and reduction of unemployment.

Now, therefore I, Sravan Ankaraju, President and CEO of Divergence Academy, encourage industry leaders to commit to more apprenticeship opportunities to meet the ever-increasing demand across the nation for safeguarding our digital infrastructure.
