CAREER AND TECHNICAL EDUCATION

Proclamation on National Apprenticeship Day 2025

WHEREAS, apprenticeships are a proven pathway for workforce development, offering hands-on training, mentorship, and career advancement opportunities; and

WHEREAS, USU Eastern Workforce Education Department is dedicated to developing the next generation of Electrical, Welding, Plumbing, HVAC, Heavy Equipment and contracting leaders through structured education, practical experience, and professional coaching; and

WHEREAS, this apprenticeship program equips participants with the knowledge, skills, and confidence to manage various apprentice projects, ensuring the continued excellence and sustainability of the industry; and

WHEREAS, the program fosters meaningful collaboration between apprentices, contractors, and mentors, strengthening many apprenticeship workforces and promoting lifelong learning; and

WHEREAS, USU Eastern Workforce Development underscores the importance of talent development and management by preparing individuals for leadership roles within the Electrical, Welding, Plumbing, HVAC, Heavy Equipment industry; and

WHEREAS, National Apprenticeship Day serves to recognize the impact of apprenticeship programs in Utah and nationwide and celebrate the apprentices, mentors, and organizations that contribute to their success;

NOW, THEREFORE, we do hereby recognize and commend USU Eastern for its commitment to workforce development and industry leadership and proclaim our support for National Apprenticeship Day 2025.

In Support,

Ethan Migliori
