National Apprenticeship Week (NAW) is a nationwide celebration where ApprenticeshipUSA partners - employers, apprentices and graduates, industry representatives, labor organizations, community-based organizations, workforce partners, educational institutions, and federal, state, and local government agencies and more - host events to showcase the successes and value of Registered Apprenticeship for strengthening our economy by developing a highly skilled workforce to meet industry needs and creating pathways for career seekers to catapult into in-demand jobs. The U.S. Department of Labor coordinates NAW in order to promote Registered Apprenticeship, in accordance with the [National Apprenticeship Act](#) (50 Stat. 664; 29 U.S.C. 50).
