

**Proclamation  
National Apprenticeship Day  
Northwest Laborers-Employers Training Trust  
April 30, 2025**

The Northwest Laborers-Employers Training Trust has stood as a leader in providing high-quality apprenticeship training, equipping generations of workers with the skills, knowledge, and safety practices needed to excel in the construction industry and beyond.

Apprenticeships provide a direct pathway to family-supporting careers, offering individuals the opportunity to earn while they learn, developing real-world experience under the guidance of skilled mentors.

The Northwest Laborers-Employers Training Trust embodies the powerful partnership between labor and management, strengthening our communities, supporting economic growth, and ensuring a well-prepared workforce for today and tomorrow.

The continued success of our industries depends on the dedication, perseverance, and talent of apprentices who are committed to mastering their craft and building a better future.

It is fitting to recognize and celebrate the apprentices, instructors, and employers who contribute to the advancement of apprenticeship programs and uphold the highest standards of excellence.

NOW, THEREFORE, I, Luis Licea, on behalf of the Northwest Laborers-Employers Training Trust, do hereby proclaim April 30, 2025, as **National Apprenticeship Day**, and encourage all workers, employers, and community members to join us in honoring the achievements of our apprentices and reaffirming our commitment to investing in apprenticeship training as a cornerstone of opportunity, growth, and pride.

**IN WITNESS WHEREOF**, I have hereunto set my hand this thirtieth day of April, in the year two thousand twenty-five.

Luis Licea  
Apprenticeship Coordinator  
Northwest Laborers-Employers Training Trust
