

Proclamation for National Apprenticeship Day 2025

WHEREAS, Environmental Consulting Services (ECS) recognizes the vital role of Registered Apprenticeship Programs in building a skilled and sustainable workforce; and

WHEREAS, ECS's Registered Apprenticeship Program for Water Quality Control Managers provides hands-on training in stormwater compliance, equipping apprentices with essential skills to protect Colorado's environment; and

WHEREAS, apprenticeships foster economic opportunity, career development, and environmental stewardship, aligning with ECS's mission to deliver reliable compliance solutions; and

WHEREAS, National Apprenticeship Day 2025, celebrated on April 30, 2025, offers an opportunity to honor apprentices, mentors, and programs driving workforce excellence; and

WHEREAS, ECS commits to promoting the value of apprenticeships through education, outreach, and collaboration with industry partners;

NOW, THEREFORE, Environmental Consulting Services proclaims April 30, 2025, as National Apprenticeship Day at ECS, celebrating our apprentices and reaffirming our dedication to fostering skilled professionals who strengthen our communities and environment.

A handwritten signature in blue ink that reads 'Jessica A. Acosta.' The signature is written in a cursive, flowing style.

Signed, Jessica A. Acosta, CISEC
