

## PROCLAMATION

**WHEREAS**, apprenticeship has long served as a proven pathway for individuals to enter skilled trades, providing hands-on training, classroom education, and the opportunity to earn while learning; and

**WHEREAS**, registered apprenticeship programs strengthen our workforce by developing highly skilled professionals who support the growth and stability of our communities and industries; and

**WHEREAS**, the electrical industry depends upon well-trained electricians whose knowledge, safety practices, and craftsmanship ensure the reliable construction and maintenance of the electrical systems that power our homes, businesses, and infrastructure; and

**WHEREAS**, the Electrical Joint Apprenticeship and Training Committee (JATC) of Southern Nevada is dedicated to training the next generation of electricians through rigorous classroom instruction, practical jobsite experience, and a commitment to excellence in the electrical trade; and

**WHEREAS**, apprentices, instructors, contractors, and journeyworkers all play an essential role in passing on the knowledge, skills, and standards that maintain the strength and integrity of our trade; and

**WHEREAS**, National Apprenticeship Week provides an opportunity to recognize the importance of apprenticeship programs in preparing a skilled workforce and supporting the long-term success of our communities;

**PROCLAIMED**, that we, the Electrical JATC of Southern Nevada do hereby recognize April 26 through May 2, 2026, as National Apprenticeship Week, and encourage all members of our industry and community to recognize the value of apprenticeship training and the contributions of apprentices, instructors, contractors, and journeyworkers who continue to build the future of the electrical trade.

**DATED**, this 18<sup>th</sup> day of March, 2026.

Kevin Kerbs
