Penobscot Job Corps Center Proclamation

WHEREAS, Penobscot Job Corps Center on the 250th year anniversary of our Nation recognizes the critical need to prepare a diverse and highly skilled workforce that is capable of meeting the demands of the industry we serve and strengthening our economy; and

WHEREAS, National Apprenticeship Week is celebrating its 11th anniversary of promoting the valuable role Registered Apprenticeships have in creating pathways and opportunities for apprentices to earn while they learn; and

WHEREAS, Registered Apprenticeship programs enable employers to develop and train their future workforce while offering career seekers affordable paths to secure high paying jobs; and

WHEREAS, Penobscot Job Corps Center understands the role of Registered Apprenticeship in expanding opportunities in our workforce that embrace individuals who have been affected by poverty and inequality, who have been underserved and overlooked, thus paving a pathway for all qualified members of society, including youth, women, rural communities, people of color, individuals in the justice system, and people with disabilities to transform into apprentices and contribute to industries in America.

WHEREAS, Penobscot Job Corps Center is dedicated to providing a top-level Pre-Apprenticeship Program to all individuals ages 16-24 years old. Our partnership with the United Brotherhood of Carpenters Pre-Apprenticeship Program is committed to improvement and advancement opportunities for our youth population.
