

ElectriCom, LLC

National Apprenticeship Week Proclamation (2026)

WHEREAS, ElectriCom is committed to “*Building Utility Infrastructure to Improve Quality of Life in our Communities*,” a mission that guides every project, partnership, and investment in our people; and

WHEREAS, ElectriCom’s values shape the culture of the organization and define how we train, support, and empower the next generation of skilled professionals, including:

- **Safety First — No compromise. All day every day.**
A no-compromise approach to ensuring every employee returns home safely.
- **Family-Oriented — We support & care for each other’s success.**
Cultivating a supportive environment that cares for employees and their families.
- **Relationships — We build & foster trust.**
Prioritizing trust, partnership, and long-term connections over simple transactions.
- **Ownership & Integrity — Solve it, own it, ensure quality & deliver what we promise.**
Taking responsibility for quality and holding work to high professional standards; and

WHEREAS, apprenticeships reflect these values by providing structured, hands-on learning that emphasizes safe work practices, technical excellence, ethical conduct, and teamwork; and

WHEREAS, ElectriCom’s apprenticeship initiatives strengthen the workforce by offering clear pathways into high-demand careers across the utility and telecommunications industries, preparing individuals to contribute meaningfully to the communities we serve; and

WHEREAS, National Apprenticeship Week celebrates the collaboration among employers, educators, workforce partners, and community leaders who work together to expand access to high-quality training and career opportunities; and

WHEREAS, ElectriCom proudly recognizes the dedication of its apprentices, mentors, trainers, and field leaders who embody the company’s values and uphold its commitment to safety, quality workmanship, and service excellence; and

WHEREAS, ElectriCom continues to invest in workforce development through its registered apprenticeship programs, including:

- Line Maintainer / High Voltage Electrician
- Underground Utility Installer Technician
- Overhead Utility Installer Technician
- Fiber Optic Technician
- Telecommunications Utilities Foreman

NOW, THEREFORE, ElectriCom, LLC joins the national observance of **National Apprenticeship Week**, honoring the value of apprenticeships and reaffirming our commitment to developing skilled, safety-minded professionals who will build and maintain the infrastructure that keeps America connected and thriving.

IN WITNESS WHEREOF, this proclamation is issued on this 14th day of April 2026, in recognition of National Apprenticeship Week and the apprentices who help power ElectriCom's future.
