DOL Registered Apprenticeship Program • RAPIDS Code 3048CB

P R O C L A M A T I O N

In Honor of National Apprenticeship Week 2026

Presented to

Jim Rivera

Field Technician • Cybersecurity Associate Apprentice

WHEREAS, National Apprenticeship Week, observed April 26 through May 2, 2026, celebrates the vital role of Registered Apprenticeship programs in building a skilled American workforce and creating pathways to meaningful careers; and

WHEREAS, DataHawg, Inc. holds a U.S. Department of Labor Registered Apprenticeship designation under RAPIDS Code 3048CB, reflecting our commitment to growing the next generation of technology professionals in the Chicago Southland and beyond; and

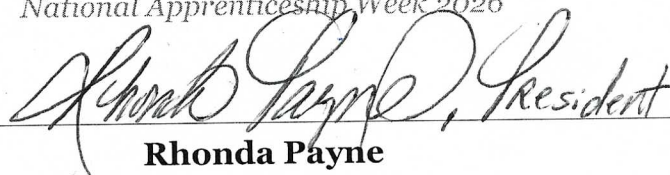

WHEREAS, Jim Rivera has demonstrated dedication, professionalism, and technical excellence throughout his participation in the DataHawg Cybersecurity Associate Apprenticeship Program, successfully completing the structured on-the-job training, related technical instruction, and performance benchmarks required of a DOL Registered Apprentice; and

WHEREAS, Jim Rivera has served as a proof of concept for what is possible when community organizations invest in local talent — demonstrating that a registered apprenticeship is not just a workforce development strategy, but a mission-driven commitment to the communities we serve;

NOW, THEREFORE, be it proclaimed that DataHawg, Inc. proudly recognizes **Jim Rivera** as a Cybersecurity Associate Apprentice Completer, and commends him for his hard work, his growth, and his commitment to a profession that protects the organizations that protect our communities.

Proclaimed this day, April 26, 2026

National Apprenticeship Week 2026
