

National Apprenticeship Week

April 26 to May 2, 2026 – A Proclamation

WHEREAS, National Apprenticeship Week annually raises awareness of the vital role Registered Apprenticeships play in meeting the workforce demands of today's most critical industries — and in creating real, lasting results for individuals, employers, and communities across the nation; and

WHEREAS, Registered Apprenticeship programs are the definition of within reach, beyond expectation — industry-driven pathways that combine paid, hands-on work experience with progressive wage growth, expert mentorship, classroom instruction, and a portable, nationally recognized credential that empowers doers to build careers that matter; and

WHEREAS, Southeast Community College recognizes that educators, school counselors, and institutions like SCC don't just raise awareness of Registered Apprenticeship opportunities — they serve as training providers, program sponsors, and intermediaries, functioning as experts who build the next generation of experts and as community anchors deeply invested in the workforce strength of southeast Nebraska.

NOW, THEREFORE, Members of the SCC Board of Governors call upon stakeholders, partners, and fellow doers to recognize the extraordinary value of Registered Apprenticeship — and to champion its awareness and expansion during National Apprenticeship Week and beyond.

Signed this 21st day of April 2026.

Arlyn E. Uhrmacher
Chairman
SCC Board of Governors

Brandon Gunther
Secretary
SCC Board of Governors
