## *House of Representatives*

### **In Recognition of National Apprenticeship Week and the Sacramento Job Corps Center Pre-Apprenticeship Program**

HON. DORIS O. MATSUI  
OF CALIFORNIA  
IN THE HOUSE OF REPRESENTATIVES

*April 27, 2026*

Mr. Speaker, I rise today in recognition of National Apprenticeship Week and to commend the Sacramento Job Corps Center for its outstanding Pre-Apprenticeship Program. The Sacramento Job Corps Center is a vital resource for workforce development in our region. National Apprenticeship Week provides an opportunity to highlight the critical role that apprenticeship and pre-apprenticeship programs play in preparing individuals for skilled, well-paid careers while addressing the workforce needs of our nation's employers.

The Sacramento Job Corps Center's Pre-Apprenticeship Program serves young adults by equipping them with foundational occupational skills and industry recognized credentials. Each participating young Sacramentan receives essential employability training aligned with registered apprenticeship opportunities and in high demand industries. Through strong partnerships with employers, labor organizations, and community stakeholders, the program helps students successfully transition into apprenticeships, advanced training, and long-term careers.

As I work in Washington, DC to bring home billions in federal funding, it is Sacramento Job Corps Center graduates who turn those meaningful investments of tax dollars into the facilities and amenities our community needs. The efforts of Job Corps graduates not only transform individual lives but also support the continued growth and vitality of California's workforce.

I am proud to recognize National Apprenticeship Week and to commend the Sacramento Job Corps Center for its leadership in workforce development and its ongoing commitment to providing pathways to success for young people

*Doris Matsui*
