

National Apprenticeship Week Proclamation

Recognizing Apprenticeship Leadership at Blue Ridge Job Corps

April 29th, 2026

WHEREAS, career pathway programs in healthcare are critical to addressing workforce shortages, supporting communities, and preparing the next generation of skilled professionals; and

WHEREAS, Blue Ridge Job Corps has demonstrated leadership in preparing students for in-demand healthcare careers through quality training, credential attainment, work-based learning, and student success initiatives; and

WHEREAS, Blue Ridge Job Corps' commitment to workforce readiness and healthcare career development reflects excellence in creating opportunities for students while supporting the broader healthcare workforce pipeline;

NOW, THEREFORE, Serrato Corporation proudly recognizes and commends Blue Ridge Job Corps for its leadership and continued efforts in advancing healthcare career pathways and calls upon workforce partners, educators, employers, and community stakeholders to support the growth of high-quality training pathways that strengthen our nation's workforce by adapting Registered Apprenticeships Programs for healthcare careers.
