

Industry Intermediary

Equus Workforce Solutions (Equus)

Industry

Healthcare and Public Service

Approved Occupation

Call Center Representative, Certified Nursing Assistant, Certified Rehabilitation Counselor, Dental Assistant, Direct Support Professional Lead, Information Security Technician, K-12 Teacher, Medical Assistant, Personal Care Aide, Pharmacy Technician, Web Interface Designer, and Workforce Development Professional.

Target Registered Apprentice Populations

Women, People of Color, Youth (16–24), and Low-income Individuals.

Project Overview

Equus is uniquely positioned to convene employers and stakeholders on a local, regional, and national level to develop and expand Registered Apprenticeship (RA) programs. As a national program sponsor, Equus is committed to establishing partnerships with multi-partner networks to support the development and expansion of employer-driven RAs.

Types of Services or Technical Assistance (TA) Provided

- Conduct informational and TA sessions to promote, design, and develop industry-specific RAs and professional development learning pathways, including standards development and customization of standards for multi-state expansions
- Provide training to promote diversity, equity, inclusion, and accessibility (DEIA)
- Share information and best practices for recruitment, selection, mentoring, and support
- Serve as a placeholder sponsor for employers during initial implementation and longer-term for small employers who do not have the resources to take on the administrative responsibilities

Key Partners

American Health Care Association, National Center for Assisted Living, Automotive Apprenticeship Group Kentucky, Bayada Home Health, CivilianCyber, Craft Education System, Gaston College, Idaho Health Care Association, Lifepoint Health, MedCertify, North Carolina Nursing Academy, Rodham Institution, ScionHealth, Seven Counties Services, People Inc., PharMerica, Washington Association of Community Health, and WRTP | BIG STEP
