Project Overview

JFF is a national intermediary and a leader in the Partnership to Advance Youth Apprenticeship (PAYA) network. JFF and partners focus on an in-school/secondary school strategy to build ecosystems to support new programs and expanding existing Registered Apprenticeship (RA) programs.

Types of Services or Technical Assistance (TA) Provided

- Conduct broad outreach to raise awareness about RA as a talent solution
- Work with targeted businesses and industry partners so they consider and adopt RAs
- Provide TA and leverage resources to support businesses and other stakeholders

Key Partners

- CareerWise Colorado
- Institute for American Apprenticeship
- Manufacturers Association of Central New York
