<p>Project Purpose: To improve statewide apprenticeship resources and networks by establishing four Regional Apprenticeship Hubs that align with community college partner geographic locations. The main purpose of the RAP Hubs is to support the needs of industry in the development and expansion of RAPs across a spectrum of sectors and occupations, including the state-identified in-demand industries: Healthcare, Technology, Manufacturing, Construction, Hospitality, Transportation/Logistics, and Education/Childcare.</p>	
<p>Subrecipient Activities: Consortium Model Sponsors, Technical Resource Provisions, Promotion of Inclusion, Diversity, &amp; Access in Apprenticeships; Intermediaries for development of pre-apprenticeship &amp; RAPs</p>	
<p>List of Credentials to be Awarded: Each new RAP registered within the state will align with the five key areas of RAPs: OJL, RI, progressive wages, mentoring, and industry-recognized credential attainment to ensure reciprocity across the National Apprenticeship system. Multiple occupations in several sectors are targeted within this grant proposal. Each will have its industry-recognized credential(s) specific to occupation and standard credentialing guidelines.</p>	
<p>Summary of Program Activities:</p> <ul style="list-style-type: none"> <li>(a) provide incentive funding to support RAP employers</li> <li>(b) connect with local, regional, state, and national employers</li> <li>(c) strengthen a network for partners to develop, implement, and scale RAPs</li> <li>(d) develop technical assistance resources for RAPs statewide (facilitated by Hubs)</li> <li>(e) conduct business engagement outreach to promote the value of apprenticeship and pre-apprenticeship to employers</li> <li>(f) coordinate and leverage efforts with other RAP Hubs</li> <li>(g) promote greater inclusion diversity, and access in apprenticeship</li> <li>(i) build capacity of the state to better promote and manage apprenticeship</li> <li>(j) partner with existing organization apprenticeship sponsor programs to include underserved areas of the state through outreach and technical support</li> </ul>
