

You're invited to participate in the 1st Annual
Youth Apprenticeship Week
May 5-11, 2024

Youth Apprenticeship Week (YAW) is a nationwide celebration that highlights the benefits and value of Registered Apprenticeship program opportunities for youth, ages 16-24. Employers, educators, and workforce professionals across the country are launching Registered Apprenticeship

programs to build a sustainable pipeline of skilled and diverse talent that allow youth to earn competitive wages, while obtaining the relevant training and experience to start their careers. YAW is an opportunity for these stakeholders to show how Registered Apprenticeship can create a steady stream of skilled workers for their businesses.

Here's how you can participate!
