

## **American Apprenticeship Initiative Grant Award Summaries**

### **Building Futures (originally awarded to The Providence Plan) – Providence, RI**

The Providence Plan was awarded \$5 million to operate the Apprenticeship Rhode Island program. The two primary goals of the program will be to place 1,200 Rhode Island residents into newly registered apprenticeships in the Advanced Manufacturing, Information Technology, Defense, Healthcare, and Marine industries and to have at least 30% of the new apprentices come from underrepresented groups.
