

American Apprenticeship Initiative Grant Award Summaries

City and County of San Francisco, CA – San Francisco, CA

The City and County of San Francisco was awarded \$2.9 million to fund the TechSF: Applied Learning Accelerator project. At least 300 individuals will be placed in both pre-apprenticeships and state-recognized registered apprenticeship programs within the Information and Communications Technology industry to realize transferable college credits and wage gains as they develop portable, industry-recognized credentials and advance in their occupation.
