

## **American Apprenticeship Initiative Grant Award Summaries**

### **Mission College – Santa Clara, CA**

Mission College was awarded \$2.9 million to lead the Silicon Valley High Tech Apprenticeship Initiative (SVHTAI). The grant will fund the creation of two registered apprenticeships in the high-tech industry sector of Silicon Valley; Computer User Support Specialist (Help Desk Specialist) and Data Center Technician. The initial SVHTAI apprenticeship programs will serve at least 310 students in Northern CA, across 60 key employers.
