Marshall University Research Corporation – Huntington, WV

Marshall University Research Corporation, on behalf of the Robert. C. Byrd Institute for Advanced Flexible Manufacturing was awarded \$4.9 million to fund the National Advanced Manufacturing Apprenticeship Program. The program will expand existing innovative apprenticeships and promote advanced manufacturing pre-apprenticeships for women, transitioning military personnel, and disadvantage youth. The program will provide standardized, industry-endorsed online instruction and on-the-job learning for companies with sites in multiple states. The program will serve 1,000 apprentices nationwide.
