

NEW HAMPSHIRE

Community College System

ASE Grant Award	\$1,344,557.26
Target Industries	Healthcare, hospitality, New Hampshire Department of Transportation, construction
Target Occupations	Construction (plumber, electrician, pipe fitter, welder); manufacturing (machine operator, computer numerical control [CNC] operator, assembler); healthcare (medical assistant, licensed nursing assistant)
Registration Entity	U.S. Department of Labor
ASE Goals	800 apprentices, 75 new Registered Apprenticeship Programs (RAPs)

Key ASE Expansion Strategies

- Expand the total number of RAPs in New Hampshire.
 - Expand RAPs across New Hampshire industry sectors deemed high-growth and important to our State's economic well-being and growth.
 - Develop robust pipelines into RAP to increase referral volume and diversity of Registered Apprenticeship candidates.
 - Fully integrate Registered Apprenticeship within New Hampshire's existing workforce development, economic development, and education systems to gain recognition and acceptance of apprenticeship as a valuable recruitment and retention strategy for businesses, and a viable career path option for youth, adults, and underrepresented populations.
-
