

INDIANA

Department of Workforce Development

ASE Grant Award	\$1,437,194.99
Target Industries	Advanced manufacturing; agriculture; information technology and business services; healthcare; building and construction; and transportation, distribution, and logistics
Target Occupations	Not identified in application. Using labor market information and regional business intelligence gathered by workforce partner business services representatives to identify key occupations within target sectors.
Registration Entity	U.S. Department of Labor
ASE Goals	800 apprentices, 3 new Registered Apprenticeship programs

Key ASE Expansion Strategies

- Partner with regional workforce development boards to create 12 intermediaries to add capacity for apprenticeship expansion and business engagement.
- Solidify roles and responsibilities within workforce development boards, Office of Work-Based Learning and Apprenticeship, and OA office to streamline apprenticeship expansion efforts and increase access to underutilized populations.
- Map occupational demand by region to support selection of registered occupations.
- Create and execute Indiana Technical Education Reporting System data tracking system integration to meet grant requirements and support informed expansion activity.
