Target Industries	Manufacturing, construction, healthcare, energy-related occupations, and in science, technology, engineering, and mathematics fields, information technology
Target Occupations	Cybersecurity, help desk, and application developers
Registration Entity	U.S. Department of Labor
ASE Goals	440 apprentices, 55 new Registered Apprenticeship Programs

Key ASE Expansion Strategies

- Work with employers to build new apprenticeship programs to serve incumbent workers, which will be the primary focus of this grant.
 - Brand “Apprenticeship Nebraska” in collaboration with the Nebraska Departments of Education and Economic Development, and other institutions of higher education that seek to join this initiative.
 - Create a quality pre-apprenticeship system in Nebraska.
-
