

COMMUNITY EVENT

Career Jumpstart for Women

EVENT DETAILS

 Friday, March 10th

 9:30am - 1:00pm

 Fresh Start Women's Foundation

1130 East McDowell Road
Phoenix, AZ 85006

This event is free and open to all women in the community.

Light breakfast will be provided!

Learn how to begin a career in tech, trades, or other high-wage, high-growth industries.

If you're looking to make a career change, but you're not sure which path to take, this is the event for you!

Join us to discover high-wage career fields that you may have never envisioned for yourself and learn how you can get started on the path to these careers.

This event features:

- **Hear It From Her Panel:** A panel of women thriving in technology, trades, and other roles who will share their journeys and give you real perspectives on what it is like to work in these industries
- **Employer and Apprenticeship Panel:** A panel of employers and apprenticeship experts who will discuss pathways for women to join these industries and ways they are supporting women in their workplaces
- **VR Experience:** An opportunity to participate in hands-on virtual reality activities that give you a sense of what your future career could look like
