

Registered Apprenticeship Industry Intermediaries: Partners for Apprenticeship Success

As partners of the U.S. Department of Labor’s (DOL) Office of Apprenticeship (OA), Registered Apprenticeship Industry Intermediaries are integral stakeholders in the effort to expand the number of Registered Apprenticeship opportunities across industries throughout the U.S. These partners increase awareness through industry outreach, connect employers and labor organizations with workforce and education partners, and provide technical assistance to launch and expand Registered Apprenticeship programs. Apprenticeship Industry Intermediaries are also tasked with helping apprenticeship sponsors refine recruiting, hiring, and retention strategies to increase access to Registered Apprenticeship programs for all Americans.

WHAT IS A REGISTERED APPRENTICESHIP INDUSTRY INTERMEDIARY?

Registered Apprenticeship Industry Intermediaries offer expertise to help employers and labor organizations successfully launch, promote, and expand Registered Apprenticeship programs in growing industries. These partners are uniquely positioned to convene employers within a specific industry or sub-sector to increase awareness of the Registered Apprenticeship model, and assist in the creation of Registered Apprenticeships programs.

WHAT ROLES DO INDUSTRY INTERMEDIARIES PLAY IN EXPANDING REGISTERED APPRENTICESHIP?

Rapid Registered Program Development and Implementation Support

- ▶ Outreach to employers, unions, and others to promote the benefits of Registered Apprenticeship and provide technical assistance to launch and sustain programs.
- ▶ Implement industry-driven strategies to expand Registered Apprenticeship opportunities across growing sectors.
- ▶ Offer expertise to build Registered Apprenticeships programs that help workers meet industry skill needs.
- ▶ Develop curriculum, related instruction outlines, and competency-based program models.
- ▶ Increase awareness of the apprenticeship model among secondary and post-secondary educators and Career and Technical Education (CTE) programs.

Technical Assistance and Partnership Building

- ▶ Assist employers in developing high quality Registered Apprenticeship standards for new programs.
- ▶ Provide subject matter expertise on apprentice recruitment strategies, including leveraging partnerships and other resources that help bring employers together to build a talent pipeline that helps growing sectors stay competitive in today’s global economy.
- ▶ Help employers and partners offset the costs of developing, launching, and sustaining RA programs.

Support an Apprenticeship Pipeline for all Americans

- ▶ Provide guidance on strategies and promising practices, such as linkages with preapprenticeship and the provision of critical support services, that lead to successful placement and retention in Registered Apprenticeship opportunities.
- ▶ Provide technical assistance to ensure sponsors understand their obligations under federal apprenticeship regulations.
