

2019 Apprenticeship Expansion Grant

Abstract

Lead Applicant's Name: Guam Department of Labor

Tier I Funding Amount: \$300,000.00

Tier I Baseline Goals:

Goal 1: Build Guam's apprenticeship infrastructure by creating a systematic process for potential employers and sponsors of registered apprenticeship programs to reduce the current obstacles Guam is faced with when promoting registered apprenticeship with our employers

Goal 2 – System Alignment with the Secondary and Post-Secondary Education and Guam's Workforce Programs for expansion of Registered Apprenticeship Programs

Goal 3: To formalize data systems among workforce and education programs to ensure tracking of apprentices and adopting the use of RAPIDS for Guam's Registered Apprenticeship Program.

Project Summary:

The Guam Department of Labor's overall mission with this funding is to formalize in writing whether by statute, policies and procedures or Agreements all the goals identified in the last 2 years for Guam's State Apprenticeship Agency
