<b>Project Title/Name:</b>	Nevada Alliance for Youth Apprenticeship	
<b>Summary of Youth Apprenticeship Program Activities and List of Credential(s) to be Awarded:</b>	Develop and expand youth RAP, establish quality apprenticeship readiness programs, and align secondary education CTE programs with college programs.	
<p>The Nevada Alliance for Youth Apprenticeship will develop and expand Registered Apprenticeship and Apprenticeship Readiness programs to youth throughout Nevada in healthcare, advanced manufacturing, IT, and mining and construction. Flexible,</p>		

<p>scalable apprenticeship programs will be utilized to develop a more skilled workforce and increase career opportunities in throughout the state, and especially in rural areas. NSHE, community college partners, and secondary education providers will provide competency-based flexible apprenticeship training, aligned with employer needs. Technical courses will be broken into content-specific modules, taken in order as defined by the employer. A focus on aligning education and workforce policy to further support and expand work-based learning and youth apprenticeship opportunities will be a key focus.</p>	
<b>Targeted Population(s) to be Served:</b>	In-school and out-of-school youth, specifically under-represented and rural populations
<b>Targeted Industry(ies) and/or occupations(s):</b>	Healthcare, Advanced Manufacturing, IT, Construction, and Mining
